location overview

1120 Sycamore Ave is located within the prestigious Vista Business Park which lies in the center of the North San Diego County Industrial hub. Vista is approximately 10 miles inland, 30 miles North of San Diego and strategically located with close proximity Carlsbad, Oceanside, San Marcos & Escondido.

The Vista Industrial market consists of nearly 14,000,000 square feet of industrial & flex space, accounting for approximately 25% of the total North County industrial market. With a vacancy rate dropping below 4%, Vista continues to thrive as San Diego Counties tightest submarkets.

Major companies like Watkins Manufacturing, McCain Traffic, Killion Industries, Datron, Polaris Pools & over a dozen local breweries are headquartered in the Vista submarket. Vista's central North County location and lack of developable land will continue to strengthen the demand for industrial space in the area.
